DURIF 2023

Vino de Parcela

Loma Norte

The wines from Itata evoke the history of Chilean wine. Together with the Mendoza family, we hope to shape its future by invigorating the past. To do so, we have grafted Durif on to more than 100-year-old bush-trained vines that grow in the interior rain-fed region of the historic Itata Valley at Piedra Lisa Vineyard.

Durif is a unique wine, black fruit and spices in nose, power and tension in mouth, you can keep it for a long time in your cellar.
