GRENACHE 2021

ITATA

The wines from Itata evoke the history of Chilean wine. Together with the Mendoza family, we hope to shape its future by invigorating the past. To do so, we have grafted Grenache on to more than 100-year-old bush-trained vines that grow in the interior rain-fed region of the historic Itata Valley at Piedra Lisa Vineyard.

Grenache is a unique wine, fresh, of vibrant acidity, with firm tannins and medium body. A complex and layered wine.
