MALA FAMA 2020 CABERNET SAUVIGNON

Mala Fama is to have Bad Reputation, and we really want to give a good life to this Bad Reputation. For that reason we are happy to show our Cabernet Sauvignon that comes from Cachapoal Valley, great place to provide us black fruit, silky tannins and a reel balanced acidity. We wanted to give a special touch, a PSG touch, for that reason we blended with Grenache from Piedra Lisa Vineyard of the historic Itata Valley, providing us red fruit, freshness and a soft finish.
