MALA FAMA 2021

CARIGNAN - CARMENÈRE

Valle de Itata, Pueblo Piedra Lisa

Mala Fama is to have Bad Reputation, as Carignan did in Europe, which was used for years to produce bulk wines and Carmenère which was very criticized by consumer and wine critics, for its spicy notes and low acidity. Regardless this blend get together and enhance the characteristics of each variety, showing a very unique and particular wine.

The Carignan and Carmenère that goes into this wine comes from ours vines at Piedra Lisa town. Carignan parcel, La Piedra provide us great acidity, high concentration and great tannins. The Carmenère comes from El Pretil plot and providing us, silky tannins, low acidity and deep dark color. This blend get together the best of each variety.
