

P. S. GARCIA

VIGNO 2017

MAULE

VIGNO: Vino with the latin G from Carignan. Wines made by various producers of an appellation concept of dry-farmed old vines from Maule that rescue long-held traditions and age-old Carignan.

The Carignan used to make this wine comes from 55-year-old dry-farmed, bush-trained vines near Melozal. The characteristics of the old vines and the soil provide us with balanced fruit that in turn allows us to make tremendously balanced and interesting wines.

VARIETAL COMPOSITION

100% Carignan / Maule Valley, Loncomilla

ANALYSIS
