PAÍS 2023

Valle de Itata, Pueblo Piedra Lisa

The wines from Itata evoke the history of Chilean wine. Together with the Mendoza family, we hope to shape its future by invigorating the past. To this end, we have begun the project of vivifying the grapes from our century-old País vines. We have different soil types and exposures, which allow us to show the different nuances of this variety.

País gives us a gentle wine, full of fruit, special for those hot days when we want to cool down and for those more subtle meals, where it is a subtle companion.
